

SBA 8(a) Certification (Exp. 12/28/2018)

CAPABILITY STATEMENT

Northeast Construction, Inc. (NCI) is a US SBA 8(a) certified general contractor that provides general construction and construction-related management services to government agencies as well as commercial and industry partners in the mid-Atlantic region. NCI self-performs single-source procurement for roofing and building envelope restoration and renovation. NCI offers clients an integrated service approach with a commitment to value and performance. Guaranteed quality workmanship and on-site project management is our commitment. Successful past performances with both commercial and government clients provide NCI with the references to support demonstrated professionalism.
